ADMINISTRATION

Fred Brent, Ed.D., GISD Superintendent of Schools

Dr. Fred Brent became the Superintendent of Georgetown ISD in July 2014 following an exhaustive national search conducted by the Board of Trustees. He brings to the district an extensive background in educational leadership having served as a teacher, campus administrator, and district leader during his career.

Dr. Brent is very familiar with the opportunities and challenges facing Georgetown ISD having served as Superintendent of Alvin ISD and as Superintendent of Anderson-Shiro CISD. He has seen first hand what it takes to lead a district through rapid student growth, multiple school construction projects, and the implementation of a rigorous curriculum designed to produce world class learners.

Dr. Brent received his undergraduate degree from Oklahoma City University and his graduate degree from Lamar University. In 2007, he earned his doctorate in Educational Leadership from Texas A&M University. During his career, Dr. Brent has been a geography teacher, physical education teacher, world geography teacher, assistant principal, and principal. Other districts where he has worked include Putnam City, Little Cypress-Mauriceville, Orangefield, and Navasoto.

Dr. Brent is married to Terri, and they have three children: Austin, Alex, and Abby who all attend Georgetown ISD schools.

Wes Vanicek, GHS Principal

Wes brings a wealth of knowledge regarding the design of engaging learning experiences that fosters critical thinking and collaboration using real-world scenarios so that students aren't merely memorizing information, but actually applying what they learn," GISD Superintendent Fred Brent said in a statement. "His background in developing innovative instructional strategies with a focus on developing positive and appropriate relationships with students is perfectly aligned with the work that's already underway at GHS."

Vanicek has a bachelor's degree in biology as well as a master's degree in curriculum and instruction from Texas A&M University.

ADAM FOSTER - HEAD COACH

Coach Foster is in his 15th year of coaching for GHS and his 5th year as Head Coach. In 2015, Coach Foster was named All-Central Texas Coach of the Year after leading the Eagles to their first state tournament. In addition to his coaching duties, Coach Foster works as a Special Education Teacher for the high school. Before coming back to Georgetown, he spent two years as a hitting instructor and infield coach at New Mexico Highlands University in Las Vegas, NM. Coach Foster's duties also included recruiting, scouting, strength and conditioning, and field maintenance. In addition to his coaching duties there, he was an instructor in the Department of Human Performance, Leisure, and Sport.

Before going to Highlands, Coach Foster was an Assistant Coach at West Texas A&M University in Canyon, TX from 1999-2001 and was responsible for instruction of outfielders, strength and conditioning, and recruiting. He was a member of the football program and was also a walk-on to the baseball program. Coach Foster received his Bachelors of Science degree from West Texas A&M University in May 2001.

Coach Foster is a product of GHS, playing football, baseball and running track. He now resides in Georgetown with his wife Christy, son Andrew and his two daughters Baylie and Samantha.

DUSTIN BRINLEY

Coach Brinley returns for his 7th year as an Eagle coach. His primary role is instructing pitchers and catchers. Brinley hails from southern California where he graduated from Elsinore High School.

After playing at University of Redlands and spending time in the Pittsburgh Pirates Minor League organization, Brinley returned to his high school alma mater as Head Coach — a position he held for ten years.

Brinley decided to move his family to Texas, landing in Georgetown in 2006 at Benold Middle School. Since, he has moved to GHS both as a teacher in credit recovery and full time baseball staff member.

His family includes his lovely wife Judee, who is a nurse at Austin Heart Hospital, and sons Ryan, Adam, and Jack.

BENJAMIN GITTINGER

Coach Gittinger is beginning his 21st year as a teacher and coach. In addition to coaching baseball, he also instructs mathematics.

Before coming to Georgetown, Coach Gittinger was previously at Jarrell High School where he helped the Cougars earn a 2AA state championship. He has spent thirteen years as a head baseball coach with stops in Bastrop, Austin McCallum, and Del Valle high schools.

Coach Gittinger attended St. Mary's University in San Antonio where he attained a degree in Physical Education and Mathematics and was a four-year letterman in baseball. During his time there, the Rattler's won three conference titles, two regional births and a trip to the 1993 NAIA World Series.

A graduate from Travis High School in Austin, he played basketball and baseball. Coach Gittinger now resides in Hutto with his wife Britney, daughter Abbey, and sons Miles and Evan.

After graduating from GHS, Vierra went on to play at Tyler Junior College and the University of Texas at Tyler. Vierra returned to Tyler Junior College as an assistant coach, following his time at UTT, helping to lead them to a fourth-place finish in the NJCAA DIII World Series. From there he went to LSU Eunice as an assistant coach, helping them to become the NJCAA DII World Series Runner-Up.

Vierra has also spent two summers as an assistant, and head coach in the Alaskan Baseball League with the Chugiak- Eagle River Chinooks, and another summer in the New York Collegiate Baseball League with the Niagara Power.

What a joy it is to watch you chase your dreams on the baseball field.

Always remember "...when the dreams your dreaming come to you, when the work you put in is realized, let yourself feel the pride but always stay humble and kind."

We love you and couldn't be more proud of the player and young man you've become.

**Help Protect YOUR Family.....
Be Prepared for Catastrophic Illness or
Injury BEFORE it strikes!**

Cancer, heart attack & stroke, accidents & serious injury - all can impact a family in so many ways. While health insurance assists with the medical bills and is paid to doctors and hospitals, Family Heritage pays benefits **DIRECTLY TO YOU** or **YOUR BANK ACCOUNT** when an unexpected event like this strikes. **YOU CHOOSE** how the money is spent: monthly bills, co-pays, deductibles, childcare, travel and lodging,...

With our **CASH VALUE** feature, Family Heritage **REFUNDS YOUR PREMIUMS**, less claims, after 25 years or on the policy's anniversary after your 65th birthday - **WITHOUT** canceling your coverage! These supplemental benefits are paid **IN ADDITION** to all other insurance coverage. And there are **NO LIFETIME LIMITS**.
