ADMINISTRATION

Fred Brent, Ed.D., GISD Superintendent of Schools

Dr. Fred Brent became the Superintendent of Georgetown ISD in July 2014 following an exhaustive national search conducted by the Board of Trustees. He brings to the district an extensive background in educational leadership having served as a teacher, campus administrator, and district leader during his career.

Dr. Brent is very familiar with the opportunities and challenges facing Georgetown ISD having served as Superintendent of Alvin ISD and as Superintendent of Anderson-Shiro CISD. He has seen first hand what it takes to lead a district through rapid student growth, multiple school construction projects, and the implementation of a rigorous curriculum designed to produce world class learners.

Dr. Brent received his undergraduate degree from Oklahoma City University and his graduate degree from Lamar University. In 2007, he earned his doctorate in Educational Leadership from Texas A&M University. During his career, Dr. Brent has been a geography teacher, physical education teacher, world geography teacher, assistant principal, and principal. Other districts where he has worked include Putnam City, Little Cypress-Mauriceville, Orangefield, and Navasota.

Dr. Brent is married to Terri, and they have three children: Austin, Alex, and Abby.

Wes Vanicek, GHS Principal

Wes brings a wealth of knowledge regarding the design of engaging learning experiences that fosters critical thinking and collaboration using real-world scenarios so that students aren't merely memorizing information, but actually applying what they learn," GISD Superintendent Fred Brent said in a statement. "His background in developing innovative instructional strategies with a focus on developing positive and appropriate relationships with students is perfectly aligned with the work that's already underway at GHS."

Vanicek has a bachelor's degree in biology as well as a master's degree in curriculum and instruction from Texas A&M University.

Jason Dean, GISD Athletic Director

Education: McMurry University, Santa Anna High School

Professional Mission - I love coaches and I love kids. I am looking forward to the opportunity of helping grow coaches so that they can help impact kids in a positive way.

Coaching Experience: 14th year in GISD, 10 years as Georgetown Head Football Coach and Athletic Coordinator, 7 years Abilene High, 1 year McMurry University

Playoff Experience: 32 games

Wife: Bethany

Children: Tatum, Emma, and Tennison

Madelyn Grace Shoales, age 16, of Georgetown passed away on January 20th, 2018 after a year long battle with brain cancer. She is survived by her parents, Suzannah and Jason Shoales, her brother, Thomas Robert (13), and her sister, Mary Rose (10).

Madelyn was a student athletic trainer, an activity she dearly loved. During her time as a student athletic trainer, she helped athletes in all sports, but was assigned to help with baseball, boys basketball, volleyball, and football. She was dedicated and passionate about helping others and because of this, was loved and respected by the athletes, coaches, and fellow student athletic trainers. She was an excellent student and member of the National Honor Society with aspirations of becoming a physical therapist. She loved animals from an early age and volunteered at The Williamson County Animal Shelter.

Although Madelyn will be missed by all those who loved her, we will cherish the many memories we shared with her and will never forget the courage, dignity, and grace she displayed the last year of her life. She truly was the ultimate hero.

CHARACTER DEVELOPMENT

DESIGNED FOR COACHES

WWW.2WORDS.TV

Few coaches have an entire athletic period to devote to character training. That's why the 2Words curriculum can be done in as little as 12 minutes a week.

With the 2Words curriculum, gone are the days of spending hours searching for the right YouTube video, or the perfect quote, and sacrificing precious practice or preparation time. This is a **DONE FOR YOU** curriculum, featuring:

- Weekly video lessons for athletes, captains, coaches AND parents
- Downloadable workbook lessons for coaches, captains, athletes AND parents
- A "quote of the day" everyday
- New lessons every year; no "rinse and repeat" lessons!
- Extra resources (articles, videos, & podcasts) for deep dives and more!

WRITTEN FOR ATHLETES

The language of the modern student is digital, and their attention span is short. That's why the 2Words curriculum is dynamically filmed in stadiums and gyms across the country, 5-7 minutes at a time. While the content and lifestyle of character-first living may sound foreign, the medium and language will be familiar.

In addition to weekly videos, 2Words offers group deep-dives, personal reflection pages, and an active, and engaged social media presence on platforms like Facebook, Instagram, and Twitter.

Put this all together and you have a life changing program, written for students.

PARENT INVOLVEMENT

2Words offers resources to parents to connect with their child through meaningful conversation and discussion questions, follow up content, and access to curriculum videos as well.

If you'd like to follow along with the curriculum, contact your coach for registration information.

Bad breath is NOT normal.

Periodontal disease is the most common AND most overlooked disease process of dogs and cats.

Dental disease causes significant pain your pet cannot tell you about: they suffer in silence.

Animals with Oral disease rarely stop eating.

Dental infections lead to liver, kidney and heart disease and can shorten your pets life.

Cancer, heart attack & stroke, accidents & serious injury - all of these can impact a family in so many ways. While health insurance assists with the medical bills and is paid to doctors and hospitals, Family Heritage pays benefits DIRECTLY TO YOU or YOUR BANK ACCOUNT when an unexpected event like this strikes. YOU CHOOSE how the money is spent: monthly bills, co-pays, deductibles, childcare, travel and lodging, ...

With our CASH VALUE feature, Family Heritage REFUNDS YOUR PREMIUMS, less claims, after 25 years or on the policy's anniversary after your 65th birthday - WITHOUT canceling your coverage! These supplemental benefits are paid IN ADDITION to all other insurance coverage. And there are NO LIFETIME LIMITS.

Learn more about PROTECTING YOUR FAMILY by calling Rudy or Nick Sioson.
